

Stakeholder notice - Mandorah Marine Facilities

Ferry terminal and public toilet facilities opening hours

The Department of Logistics and Infrastructure has set new opening hours for the ferry terminal and public toilet at the new Mandorah Marine Facilities based on feedback from the community.

The department has worked with SeaLink and the Wagait Shire Council during the operational transition of the facility to establish the most suitable opening hours for the ferry terminal. The ferry terminal hours are now 5:45 am - 7:30 pm, every day.

The opening hours were adjusted to cater for the majority of the ferry services while addressing security concerns.

Wagait Shire Council will continue to manage the ferry terminal opening and closing schedule along with maintenance of the ferry terminal grounds and amenities.

For further project information, visit the [Mandorah Marine Facilities website](#) or email communications.dli@nt.gov.au.

Mandorah ferry terminal opening hours	
Opens	5:45 am
Closes	7:30 pm
