Notice of after-hours works – 17 & 24 January 2025

Works continue on the Northern Territory Art Gallery and construction company Sitzler Pty Ltd is continuing a series of concrete pours at the site.

These large pours need to occur outside of the project's standard hours of work, which are 7am – 6pm Monday to Friday and 7am – 1pm on Saturdays, as lower ambient temperatures are better for curing the concrete. The rate of curing as the concrete sets effects the workability and strength of the concrete slab.

Two concrete pours for a level 2 slab are now planned on two separate days to mitigate forecast weather conditions. The concrete pour initially planned for 20 January 2025 will be split into the following 2 pours:

- **Pour 1 scheduled for 17 January 2025 starting at 5:30 am (127 cubic metres)**

- **Pour 2 scheduled for 24 January 2025 starting at 6:00 pm (230 cubic metres) and is anticipated to take approximately 6 hours.**

The concrete pours may be delayed to later that evening or in the following days if required, weather permitting.

There are a number of large concrete pours that will occur outside of the standard hours of work over the construction period. The contractor will provide notice of these pours and will endeavour to reduce dust and noise impacts to stakeholders during these times.

Access and parking conditions

Current traffic access and parking conditions remain in place, including the closure of the driveway access to the Supreme Court, Parliament House and Old Town Hall Ruins off Smith Street.

Access is available to the Supreme Court for deliveries/short term only parking via Bennett Street. Please exercise caution while driving and walking in the area during this busy period.
